

# **OneRoof OneCompany™ — Low-Slope Options Brochure For Property Owners (COMGN258)**

Updated: 1/15

*Quality You Can Trust...From  
North America's Largest Roofing Manufacturer!™*

# One Manufacturer + One Guarantee = Peace of Mind.

The industry's first no-dollar-limit guarantee that covers both steep-slope and low-slope roofs on the same building—and the *only* guarantee that covers the physical transition between a low-slope and steep-slope roof.

Single-source accountability from North America's largest roofing manufacturer means no finger pointing, fewer hassles—and coverage you can trust.

## Multiple Roofs. **One** Source.

If you've been dealing with multiple manufacturers and contractors for your roofing needs, it's time to downsize.

GAF offers a comprehensive line of commercial and residential roofing systems and support services, as well as industry-leading guarantees—so your needs will be met and your assets protected. Our factory-certified contractors are roofing experts, fully versed in the latest roofing technologies—so you can rest assured that your roof is being installed and serviced by the best in the business.

Whether your property has low-slope and/or steep-slope roofing, we have the single best solution for you.

Granule-Surfaced  
Self-Adhering  
Membrane

**LIBERTY™**  
SBS Self-Adhering Roofing System

- **No Fumes...** Eliminates the fumes and odors caused by hot asphalt or solvent-based adhesives
- **Safer...** Eliminates the need for open flames
- **Quicker Installation...** Often 1/3 faster than conventional systems, with minimal set-up or clean-up time
- **Extensive Color Choices...** Available in all of the granule-surfaced colors shown at right
- **Free Ltd. Warranty Against Material Defects...** For up to 15 years
- **Optional Guarantee Against Defects In Materials And Workmanship...** Up to 15-year protection — includes replacement materials, installation labor, and tear-off/disposal (if necessary)

LIBERTY™ roofing system products are available in seven popular colors designed to complement North America's #1-selling shingles, Timberline® Shingles — as well as other residential shingle roofs

NOTE: These blended colors are designed to complement your shingles, not to be an exact match. Because of the small size of these samples, it is difficult to reproduce the actual color effect. Please be sure to see a full-size roll before making a final color selection.

Smooth-Surface  
Self-Adhering  
Membrane

**EverGuard™**  
**FreedomTPO™**  
Self-Adhering Roofing Systems

- **Available in Heat-weld or RapidSeam™ Technology**
- **No Fumes...** Eliminates the fumes and odors caused by hot asphalt or solvent-based adhesives
- **Safer...** Eliminates the need for flammable adhesives or open flames
- **Quicker Installation...** Fewer steps and full line of accessories often result in 1/3 faster installation than conventional fully adhered systems, with minimal set-up or clean-up time
- **ENERGY STAR® Qualified...** To help you save on energy costs (U.S. only)
- **Free Ltd. Warranty Against Material Defects...** For up to 15 years
- **Optional NDL Guarantee Against Defects In Materials And Workmanship...** Up to 20-year protection (with heat-welded seams) — includes replacement materials, installation labor, and tear-off/disposal (if necessary)
